A WELL-PLANNED AND STRATEGIC START...

Sets the foundation for great success

A photograph of a business meeting in a modern office. Four people are seated around a long, light-colored table. A woman in a light blue shirt is on the left, looking towards the others. A man in a grey jacket is next to her, also looking towards the right. A man in a dark suit and glasses is sitting in the center, looking at a laptop. A man in a dark blue suit is on the right, looking at a document. The office has large windows in the background, and the scene is lit with warm, golden light. The image is partially obscured by a semi-transparent blue overlay at the bottom.

SBSI dedicates its time and efforts in taking good care of the investors in Dubai, including investors who are coming from outside the country by providing them with all different services they will need in setting up their companies.

In a market flooded with service providers, we recognize the crucial difference between what you want and what you truly need.

WE HAVE OVER 23 YEARS OF

01 BUSINESS SET UP

The first strategic decision awaits – choosing the right business jurisdiction. Dubai offers Three main jurisdictions: Mainland, Free Zone, and Offshore. Each comes with distinct attributes, impacting license, and business activity flexibility.

At SBSI, we specialize in guiding the entrepreneurs to choose the ideal jurisdiction for your business in UAE. Our experienced team is committed to assisting you with all legal documentation requirements tailored to each jurisdiction, ensuring a smooth start to your venture.

Make the decision wisely, as it sets the foundation for your business success.

Trust us as your reliable partner in business setup in Dubai.

The background of the slide features a close-up, slightly blurred image of a desk. On the left, there are stacks of papers or books. In the center, a black gavel rests on a surface. To the right, a black fountain pen with silver accents is visible. The overall lighting is soft and professional, with a warm brown overlay at the bottom where the text is placed.

02

P.R.O SERVICES

A Public Relations Officer (PRO) is essential for every company to successfully clear the processing of government documents, legal papers and all other documentation related to the company formation process in Dubai.

PRO services in Dubai cover the legal requirements of investors & their dependents, companies, employees etc. A PRO is the bridge that establishes a smooth rapport between the company and government bodies such as the Department of Economic Development (DED), Immigration, Ministry of Labour, free zone authorities etc.

In case that your company already has a P.R.O , SBSI can provide you with the needed guidance for completing the governmental transactions and intervening if necessary.

03

DUAL CITIZENSHIP

The decision to obtain a second passport is often a strategic move aimed at securing a brighter future for oneself and one's family. It provides the flexibility to choose a living environment that aligns with personal preferences and values.

Unlock the unparalleled freedom and opportunities that come with dual citizenship through our seamless and reliable services, making your dream of global mobility a reality.

04

COMMERCIAL CONSULTANCY

Our associates are legal professionals with qualifications. Their training and experience enables them to provide a high standard of advice and legal expertise in commercial cases.

Due to our extensive knowledge of the UAE market and our many years of experience, we know exactly how to approach each legal process to achieve the best possible commercial and financial outcome for our clients.

SBSI is committed to delivering the right commercial consultancy with a strong experience on proficiency.
